Sir:

Enclosed is an executed Terminal Disclaimer.

Applicant is filing the enclosed Terminal Disclaimer merely to remove any potential issue as to whether the claims of the above-identified application and those of U.S. Patent No. 6,346,114 in any way conflict. However, neither the Applicant nor the assignee intend to make any representation as to whether the invention defined by any of the claims of either the instant application or U.S. Patent No. 6,346,114 would have been obvious in view of the other or whether an obvious-type double patenting rejection would be appropriate if the enclosed Terminal Disclaimer were not filed.

Authorization is hereby provided to charge any necessary fee to Deposit Account No.
